Churchill House  
Summer Centres

## Excursion Highlights at Duke of York School

**London:** Visit England's capital and see the sights of Westminster, Buckingham Palace, Trafalgar Square and St James' Park, with time for shopping in the famous Covent Garden. Entrance to The British Museum included.

**Canterbury:** One of Britain's most historic and culturally important cities. At the heart of the city is its stunning Norman cathedral, which is a World Heritage Site, and the streets around it are filled with shops and cafes.

**Cambridge:** This visit to one of England's great university cities includes a tour of the beautiful architecture and majestic college buildings.

**Brighton:** England's premier seaside resort, often called "London by the sea". Brighton has a long beach, fish 'n' chip shops, a lovely Victorian pier, and the old lanes provide a maze of small shops and cafes to explore. Includes visit to the famous Brighton Pier.

## Activity Programme Highlights at Duke of York School

**Trashion Show:** Trashion is a term for fashion that is created from used materials that may be thrown away. Students will create their own 'Trashion' outfits ready to be presented on the catwalk.

**Murder Mystery:** A fun role-play game in which a fictional character is 'murdered' and players have to hunt for clues and question suspects to solve the crime.

**Haka:** A traditional war cry and dance, or challenge from the Maori people of New Zealand, famously performed by the NZ team before international rugby matches. Students learn and perform their own Haka!

**British Bulldog:** A traditional tag-based game often played in playgrounds at schools. Players must get from one side of the field of play, to another, without getting caught by the 'bulldog'. If caught, that player also becomes a 'bulldog'.

## Junior Activities at Duke of York School

**Nature:** These activities are aimed to get students outside of the classroom to discover the world around them. Students will have the opportunity to create their own ant farms and discover the local wild-life.

**Arts & Crafts:** Activities to help encourage students to express themselves and get creative!

**Science:** Students will be making things bang, pop and fizz as they conduct experiments and create their own working hovercrafts!

**Common Room:** For 3 hours a week, juniors will have some quiet time to relax during the day. During this time, they will play a variety of board games, take part in quizzes and create their own poems.
