

# Bullying

Bullying is when someone....

- Calls you bad names
- Spreads lies about you
- Teases you
- Hits or kicks you and causes you physical pain
- Pushes or pulls you about
- Takes your money or possessions
- Excludes you from their group
- Threatens you
- Sends you bad SMS messages
- Films you on their mobile phones and shares it with others
- Sends you horrible emails or messages on Facebook or other social media

If you are being bullied, or you see anyone else being bullied, tell your Group Leader, SLO, Teacher or Activity Leader and we will try to help.

## Our Policy on Bullying

Bullying is unacceptable and we don't accept it at our schools. Anyone who bullies another student will be disciplined and, in serious cases, could be sent home.
